DUAL representation

If the Borrower wishes to select one of the pre-approved solicitors above, the Borrower will be required to:

- Commence instructions by contacting the chosen firm
- Obtain a quote for their legal fees
- Once the legal fee is agreed and accepted, provide us with the name of the appointed solicitor and his/her contact details
- When the Mortgage Offer is issued to the intermediary for the Borrower's attention, we will send our instruction and other relevant documents to the appointed solicitor

Please note that if the matter does not proceed, any legal costs incurred will be the responsibility of the Borrower.

SEPARATE representation

If the borrower wishes to choose another law firm to act in the transaction on a separate representation basis (OR if a dual representation is not applicable), the Borrower will be required to instruct a firm to act on his/her behalf that meets our criteria.

Details of a chosen law firm, name of the appointed solicitor and his/her contact details will be required.

MT Finance will then instruct a firm to act on our behalf.

Please note that the Borrower will be responsible for all, i.e. both sets of legal fees. Please note that if the matter does not proceed, any legal costs incurred will be the responsibility of the Borrower.
